

***** CONGRATULATIONS *****

P e r o z b a y e

Dear Petroleum & Mining Engineering Department Graduates,

As Head of the department, It gives me immense pleasure to congratulate you all in my name and on behalf of all department's teaching staff and assistants on the occasion of your graduation and obtaining a B.Sc. in Petroleum & Mining Engineering. This occasion crowns four years of hard work and enthusiasm. All the hard work and systematic follow-up during the last four years has paid off at the end.

We wish you every success and progress in your next phase of your practical life and hope that you keep future link with your department.

**Professor, Dr. Fadhil Ali
Head of Department**
