

| Civil Engineering Department-Weekly Schedule |             |             |  |  |  |
|--|-------------|-------------|--|--|--|
| Dates  | Hours       | First Grade | Second Grade   | Third Grade  | Fourth Grade   |
| Saturday                                     | 09:00-09:50 |             | Surveying I/Mr. Esam Mulapeer, 330   |  |  |
|  | 10:00-10:50 |             | Surveying I/Mr. Esam Mulapeer, 330   |  |  |
|  | 11:00-11:50 |             | Surveying II/Mr. Esam Mulapeer, 330  |  |  |
|  | 12:00-12:50 |             | Surveying II/Mr. Esam Mulapeer, 330  |  |  |
|  | 13:00-13:50 |             | Surveying I/Mr. Esam Mulapeer, Lab.  |  |  |
|  | 14:00-14:50 |             | Surveying I/Mr. Esam Mulapeer, Lab.  |  |  |
|  | 15:00-15:50 |             | Surveying I/Mr. Esam Mulapeer, Lab.  |  |  |
|  | 16:00-16:50 |             | Surveying I/Mr. Esam Mulapeer, Lab.  |  |  |
| Sunday                                       | 09:00-09:50 |             | Building Materials & Concrete Technology/Mr. Barham Haidar, 302                    | Structural Analysis I /Mr.Junaid Kmaran, 332                                   |  |
|  | 10:00-10:50 |             | Building Materials & Concrete Technology/Mr. Barham Haidar, 302                    | Structural Analysis I /Mr.Junaid Kmaran, 332                                   |  |
|  | 11:00-11:50 |             | Building Materials & Concrete Technology/Mr. Barham Haidar, 302                    | Structural Analysis I /Mr.Junaid Kmaran, 332                                   |  |
|  | 12:00-12:50 |             |  | Structural Analysis I /Mr.Junaid Kmaran, 332                                   |  |
|  | 13:00-13:50 |             |  | Soil Mechanics I/Dr. Yousif Abuallah, 332                                      |  |
|  | 14:00-14:50 |             | Surveying II/Mr. Esam Mulapeer, 330  | Soil Mechanics I/Dr. Yousif Abuallah, 332                                      |  |
|  | 15:00-15:50 |             | Surveying II/Mr. Esam Mulapeer, 330  | Soil Mechanics I/Dr. Yousif Abuallah, Lab                                      |  |
|  | 16:00-16:50 |             | Surveying II/Mr. Baktyar Ahmed, Lab.   | Soil Mechanics I/Dr. Yousif Abuallah, Lab                                      |  |
|  | 17:00-17:50 |             | Surveying II/Mr. Baktyar Ahmed, Lab.   |  |  |
| Monday                                       | 09:00-09:50 |             | Geology for civil engineering/ Dr. Yousif Abuallah, 330                            | Structural Analysis II /Mr.Junaid Kmaran, 332                                  |  |
|  | 10:00-10:50 |             | Geology for civil engineering/ Dr. Yousif Abuallah, 330                            | Structural Analysis II /Mr.Junaid Kmaran, 332                                  |  |
|  | 11:00-11:50 |             | Building Materials & Concrete Technology/Mr. Barham Haidar, 302                    | Structural Analysis II /Mr.Junaid Kmaran, 332                                  |  |
|  | 12:00-12:50 |             | Building Materials & Concrete Technology/Mr. Barham Haidar, 302                    | Structural Analysis II /Mr.Junaid Kmaran, 332                                  |  |
|  | 13:30-14:20 |             | Building Materials & Concrete Technology/Mr. Barham Haidar, 302                    | Soil Mechanics I/Dr. Yousif Abuallah, 332                                      |  |
|  | 14:30-15:20 |             | Surveying I/Mr. Esam Mulapeer, 330   | Soil Mechanics I/Dr. Yousif Abuallah, 332                                      |  |
|  | 15:30-16:20 |             | Surveying I/Mr. Esam Mulapeer, 330   | Soil Mechanics I/Dr. Yousif Abuallah, Lab                                      |  |
|  | 16:30-17:20 |             | Surveying II/Mr. Baktyar Ahmed, Lab.   | Soil Mechanics I/Dr. Yousif Abuallah, Lab                                      |  |
|  | 17:30-18:20 |             | Surveying II/Mr. Baktyar Ahmed, Lab.   |  |  |
| Tuesday                                      | 09:00-09:50 |             |  | Structural Analysis I /Mr.Junaid Kmaran, 332                                   |  |
|  | 10:00-10:50 |             |  | Structural Analysis I /Mr.Junaid Kmaran, 332                                   |  |
|  | 11:00-11:50 |             | Building Materials & Concrete Technology/Mr. Barham Haidar, Mr. Halmat Muslih, Lab | Structural Analysis I /Mr.Junaid Kmaran, 332                                   |  |
|  | 12:00-12:50 |             | Building Materials & Concrete Technology/Mr. Barham Haidar, Mr. Halmat Muslih, Lab | Structural Analysis I /Mr.Junaid Kmaran, 332                                   |  |
|  | 13:00-13:50 |             | Geology for civil engineering/ Dr. Yousif Abuallah, 330                            |  | Highway Engineering/Assist. Prof. Dr. Ganjeena Khoshnaw, 330                   |
|  | 14:00-14:50 |             | Geology for civil engineering/ Dr. Yousif Abuallah, 330                            |  | Highway Engineering/Assist. Prof. Dr. Ganjeena Khoshnaw, 330                   |
|  | 15:00-15:50 |             | Building Materials & Concrete Technology/Mr. Barham Haidar, Mr. Halmat Muslih, Lab |  | Highway Engineering/Assist. Prof. Dr. Ganjeena Khoshnaw, Mrs. Bnar Abubakr/Lab |
|  | 16:00-16:50 |             | Building Materials & Concrete Technology/Mr. Barham Haidar, Mr. Halmat Muslih, Lab |  | Highway Engineering/Assist. Prof. Dr. Ganjeena Khoshnaw, Mrs. Bnar Abubakr/Lab |
| Wednesday                                    | 09:00-09:50 |             | Mechanics of Materials II/ Assist. Prof. Dr. Najmadn, 332                          | Structural Analysis II /Mr.Junaid Kmaran, 332                                  |  |
|  | 10:00-10:50 |             | Mechanics of Materials II/ Assist. Prof. Dr. Najmadn, 332                          | Structural Analysis II /Mr.Junaid Kmaran, 332                                  |  |
|  | 11:00-11:50 |             | Mechanics of Materials II/ Assist. Prof. Dr. Najmadn, 332                          | Structural Analysis II /Mr.Junaid Kmaran, 332                                  |  |
|  | 12:00-12:50 |             | Mechanics of Materials II/ Assist. Prof. Dr. Najmadn, 332                          | Structural Analysis II /Mr.Junaid Kmaran, 332                                  |  |
|  | 13:30-14:20 |             | Differential Equation/ Assist. Prof. Dr. Saad Khalis, 330                          |  | Highway Engineering/Assist. Prof. Dr. Ganjeena Khoshnaw, 328                   |
|  | 14:30-15:20 |             | Differential Equation/ Assist. Prof. Dr. Saad Khalis, 330                          |  | Highway Engineering/Assist. Prof. Dr. Ganjeena Khoshnaw, 328                   |
|  | 15:30-16:20 |             | Differential Equation/ Assist. Prof. Dr. Saad Khalis, 330                          |  | Highway Engineering/Assist. Prof. Dr. Ganjeena Khoshnaw, Mrs. Bnar Abubakr/Lab |
|  | 16:30       |             |  | Highway Engineering/Assist. Prof. Dr. Ganjeena Khoshnaw, Mrs. Bnar Abubakr/Lab |  |
| Thursday                                     | 09:00-09:50 |             | Mechanics of Materials II/ Assist. Prof. Dr. Najmadn, 332                          |  |  |
|  | 10:00-10:50 |             | Mechanics of Materials II/ Assist. Prof. Dr. Najmadn, 332                          |  |  |
|  | 11:00-11:50 |             | Mechanics of Materials II/ Assist. Prof. Dr. Najmadn, 332                          |  |  |
|  | 12:00-12:50 |             | Mechanics of Materials II/ Assist. Prof. Dr. Najmadn, 332                          |  |  |
|  | 13:30-14:20 |             | Differential Equation/ Assist. Prof. Dr. Saad Khalis, 330                          |  |  |
|  | 14:30-15:20 |             | Differential Equation/ Assist. Prof. Dr. Saad Khalis, 330                          |  |  |
|  | 15:30-16:20 |             | Differential Equation/ Assist. Prof. Dr. Saad Khalis, 330                          |  |  |
