

ACI STUDENT CHAPTER AWARDS

Similar to ACI's annual award for excellent and outstanding chapters, the ACI Award for Student Chapter Award recognizes the achievement of outstanding student chapters whose activities align with ACI's strategic goal to increase participation and add value for its members. The student chapters will accomplish this by increasing opportunities for professional and academic growth, as well as strengthening relationships between the student chapter and ACI and its Local Chapters.

To be eligible for this awards program, student chapters will be required to submit an Annual Report. Student Chapters that meet the minimum requirements will receive recognition as an Outstanding Student Chapter. Outstanding Student Chapter recipients will receive a perpetual award plaque and digital banner. A new plate featuring the year of the award will be added to the plaque for each year of recognition.
