

Tishk International University Summer Term (Make-up Examination) Rules (2020-2021 Academic Year)

Information to Students

Dear students,

With regard to the decision taken by the university council, summer term course rules have been newly designed because this summer term student are given make-up examination. Along with the below mentioned rules, new rules have been provided in the 'student handbook, 2020, page 21-20 and article 25. Please read the newly designed rules diligently.

Make- Up Assessment:

1- Depending on the results of the final exams (fall and spring), failed students can participate in the final exams of summer school as make-up exam.

2- Students are allowed to take make-up examination of the course(s) that they have failed in the final examinations. Make-up examination are held for the courses indicated below:

Courses failed in FF, FD, DD- or DC-.

3- Students failed with NA cannot take make-up examinations, instead they can take summer school courses.

4- Make-up examinations cannot be taken to increase the GPA.

5- In make-up examination the same achievement grading system of final exams are applied and the score of make-up examination is accepted as final exam score. Make-up exams score is included in GPA of the semester the student has failed in the courses. In make-up exam the highest score is CC.

6- If students would like to increase GPA, they can register for Summer Term.

7- Make-up examination period will take place between August 08 – September 18 , 2021. Summer term final examination and make-up examination will take place on the same days.

9- Students are responsible to follow make-up examination dates at specified date(s) by the departments.

10- In make-up assessment, any excuse(s) (medical report, permission etc.) are not valid.

11- All passing grades, attendance rules, disciplinary rules will be applied according to the 'Undergraduate Education and Examination Regulations, and Disciplinary Rules of Tishk International University.

12- Make-up examination schedule will be announced after starting the summer term school.

13- Students who are willing to take make-up examination only, have to register their names in their departments.

14- The Midterm Exams & final exams & other studying mechanisms of students. They will be done inside the campus in small groups with following the health instructions.

15- The Scientific committee of department responsible for the type & detection of the blending learning system by organizing & giving priority to the lectures regarding to the specialty & kind of the subjects & importance of the lectures as "online" or " Campus", with following the health instructions of the Governmental of Kurdistan region.(summer School)

Some important points that students need to know:

1. Students who have failed the courses FF, FD, DD-, DC- and due to attendance (NA), may have summer term courses yet attendance and payment is compulsory. In summer term students are allowed utmost 4 courses (course hours are given twice as much as credit; for instance, a course which has 3 credits will be taught 6 hours in a week).
2. A course will be opened in summer term on condition that minimum 4 students enroll. Students will pay 75\$ per credit for courses.
3. Educational term for summer term is 1+5) 6) weeks. The first five weeks include summer term mid-term and other exams. 6th week is the period for final exams.
4. For further details, you may contact your head of department .
5. All passing grades, attendance rules, disciplinary rules will be applied according to the 'Undergraduate Education and Examination Regulations, and Disciplinary Rules of Tishk International University.
6. Students must do pre-registration through SIS than they must do real summer term registration.
7. Summer term registration process will be implemented through SIS system (as in other semesters).
8. Academic Calendar for Summer School and Make-up Examination Period.

Summer Term (School) Rules

2020-2021 Academic Year

Information to Students

Dear students,
With regard to the decision taken by the university council, summer term course rules have been newly designed because in this summer term students are given make-up examinations. Along with the below mentioned rules, new rules have been provided in the 'student handbook, 2020, Chapter 7'. Please read the newly designed rules diligently.
