

Schedule of the Arduino Training Course: Fundamentals and Coding

Day	Date	Duration	Session's Topic
Day 1	28/10/2021	2 hours	Introduction to the Arduino Course
Day 2	04/11/2021	2 hours	Basic function of Arduino Programming
		1 hour	Project
Day 3	11/11/2021	2 hours	Ways to power-on Arduino, Statement Blocks (IF, else if, else)
		1 hour	Project
Day 4	25/11/2021	2 hours	Loop Statements (For / While)
		1 hour	Project
Day 5	09/12/2021	2 hours	Arduino's Input / Output Ports
		1 hour	Project
Day 6	16/12/2021	2 hours	Arduino's Digital and Analog Ports
		1 hour	Project
Day 7	23/12/2021	2 hours	Analog Sensors and Actuators
		2 hours	Project
Day 8	10/02/2022	2 hours	Digital Sensors and Actuators
		2 hours	Project
