

Tishk International University Summer Term (Make-up Examination) Rules (2021-2022 Academic Year)

Information for Students

Dear students, with regard to the decision taken by the university council, summer term course rules have been newly due to scheduled make-up examinations. Along with the below-mentioned rules, new rules have been provided in the 'Student Handbook, 2022-2021, page 23, article 25. Please read the newly designed rules diligently.

Make-up Assessment

1- Depending on the results of the final exams (fall and spring), failed students can participate in the final exams of summer school as a make-up examination.

2- Students are allowed to take make-up examinations of the course(s) in which they have failed the final examinations. Make-up examinations are held for the courses indicated below: Courses failed in FF, FD, DD- or DC-.

3- Students who failed with NA are not permitted to take make-up examinations and are required to take summer school courses.

4- Make-up examinations cannot be taken to increase the GPA.

5- In the make-up examination, the same achievement grading system of final exams is applied, and the score of the make-up examination is accepted as the final exam score. Make-up exams score is included in the GPA of the semester the student has failed in the courses. The highest score in make-up examinations is CC.

6- If students wish to increase their GPA, they may register for Summer Term.

7- The make-up examination period will be held between August 08 – September 18, 2022. Summer term final examination and make-up examination will take place on the same days.

8- Students are responsible for following make-up examination dates at a specified date(s) by the departments.

9- In make-up assessment, any excuse(s) (medical report, permission, etc) are not valid.

10- All passing grades, attendance rules, and disciplinary rules will be applied according to the 'Undergraduate Education and Examination Regulations and Disciplinary Rules of Tishk International University.

11- The make-up examination schedule will be announced once the summer term begins.

13- Students willing to take make-up examinations only must register their names in their departments.

14- The midterm exams, final exams and other studying mechanisms of students will be conducted inside the campus in small groups with following the health instructions:

Some important points that students need to know:

1. Students who have failed courses FF, FD, DD-, DC-, or due to attendance (NA) may be required to attend summer term courses. Nevertheless, attendance and payment are compulsory. In the summer term, students are allowed the utmost four courses (course hours are given twice as much as credit; for instance, a course with three credits will be taught 6 hours a week).
2. A course will be opened in the summer term on the condition that a minimum of four students enrol. Students will pay \$75 per credit for courses.
3. Educational term for the summer term is (5+1) 6 weeks. The first five weeks include summer term mid-term and other exams. 6th week is the period for final exams.
4. For further details, please contact the head of your department.
5. All passing grades, attendance rules, and disciplinary rules will be applied according to the 'Undergraduate Education and Examination Regulations and Disciplinary Rules of Tishk International University.
6. Students must complete pre-registration through SIS before registering for the summer term.
7. Summer term registration process will be implemented through the SIS system (as in other semesters).

Summer Term (School) Rules

2021-2022 Academic Year

Information to Students

Dear students,

With regard to the decision taken by the university council, summer term course rules have been newly designed because in this summer term students are given make-up examinations. Along with the below mentioned rules, new rules have been provided in the 'student handbook, 2019, Chapter 7'. Please read the newly designed rules diligently.

Aim of Summer Term:

- a) Students who wish to graduate earlier have the opportunity to take upper-year courses during Summer School.
- b) Students can increase their grades and improve their GPA by retaking courses during the Summer Term.
- c) Students who have failed their courses during the academic year have an opportunity to take the same courses during the Summer Term.
